

SPECIAL PROGRAMS

Community Education

The Community Education Program extends the educational, cultural, and recreational programs of Ventura College by offering short-term classes, workshops, lectures, tours and other events which enrich the lives of individuals in our community. All Community Education events are not for credit and must be supported by fees, tuition, and other charges. No tax revenues of any sort support the Community Education Program. For information or to register for Community Education classes, please call (805) 654-6459 or visit www.CommunityEd.venturacollege.edu.

CIVIC CENTER (FACILITY RENTALS)

The Community Education Office also coordinates the use of college facilities by off-campus organizations as authorized by the Civic Center Act. For information about facility usage, please call (805) 654-6400, ext. 2232. Both the Community Education Office and the Civic Center Office are located in the Ventura College Institute for Community and Professional Development (ICPD) located at 71 Day Road.

Customized Services to Agencies / Vocational Programs

Businesses and organizations can access world-class, cost efficient training through the Ventura College Institute for Community and Professional Development. Sample programs include Preventing Sexual Harassment, Supervisory Skills Training, Workplace Spanish, Dealing with Difficult People, Microsoft Access, Excel, Powerpoint, and many others. For additional information or to request a free catalog, please call (805) 648-8904.

East Campus

(805) 525-7136

Offices: 115 Dean Drive, Suite A, Santa Paula
Classrooms: 105-107 Dean Drive, Santa Paula
Monday - Thursday: 8:00 a.m. to 7:00 p.m.
Friday: 8:00 a.m. to 6:00 p.m.

Ventura College East Campus offers an extensive English-as-a-Second Language (ESL) program as well as a wide variety of general education and vocational classes and programs at the Dean Drive location and at the local high schools. The vocational programs include computer office assistant, CNA training, medical assisting, and child development. The general education courses meet graduation and transfer requirements for students who are working toward an associate's or bachelor's degree. The ESL classes help students whose first language is not English acquire the speaking, reading, and writing skills needed to function at work, in college, and in the community.

The East Campus has a complete Learning Resource Center. The Center offers all Ventura College students extensive library and tutorial services as well as access to computers for word processing, textbook related materials, research, Internet access, and specialized tutorials in math, reading, and English. In addition, the East Campus offers student services such as counseling, registration, assessment testing, and an Internet Café to all Ventura College students. Call (805) 525-7136 for more information.

Educational Assistance Center (Disabled Students)

The Educational Assistance Center promotes the educational and vocational potential of students with disabilities through their integration into the mainstream of college life. Students with mobility, learning, visual, hearing, communication and psychological disabilities, as well as acquired brain injuries and other health impairments, are eligible to apply for the support services that are needed to fully participate in the educational process.

These support services include: one-stop early registration assistance, assessment of learning difficulties, sign language interpreters, notetakers, readers, transcribers, tutors, mobility assistance, personal, disability-related, academic and vocational counseling, handicapped parking, alternative testing, alternate media, assistive computer technology and other assistive devices. Job development and placement are available through the Workability III program. (see Department of Rehabilitation, page 38.)

In addition to courses offered by the Learning Skills Program and Assistive Technology Training Center, special courses are available in job seeking skills and adapted physical education.

The Educational Assistance Center is located in the FL building. For information, call (805) 654-6300; (805) 642-4583 (TTD).

•Assistive Technology Training Center for Students with Disabilities

The Assistive Technology Training Center (ATTC) is designed to teach all students with disabilities about the latest in computer access devices and instructional software, including speech synthesizers, screen enlargers, adapted keyboards, voice-input systems, text to speech software, Braille printers and adapted word processing programs. The ATTC is located on the first floor of the Learning Resources Center. The ATTC is staffed by specially trained instructors and aides. Students can register for a variety of classes in Assistive Computer Technology. Some open lab hours are also available. For further information, phone (805) 654-6415 or TTY (805) 642-4583.

•Learning Skills Program

Students who have a history of difficulties achieving academic success may wish to inquire about the special services and classes provided by the Learning Skills Program. Learning Skills (LS) classes cover such areas as math, language arts, study skills, learning strategies and assessment of learning skills. The program emphasizes individualized instruction, teaching to the dominant learning style and allowing the student to learn at his or her own pace.

Students with a verified learning disability can receive accommodations in their mainstream classes, such as extended test time and notetakers. An EAC counselor can advise students whether they qualify for extra academic support services and/or special instruction in the Learning Skills courses, including a possible assessment for learning disabilities.

International Students Program

The International Students Office assists about 200 International students attending under an F-1 Visa (Student Visa). Our program is represented by students from many countries around the world: Argentina, Brazil, Ecuador, France, Germany, Japan, Hungary, India, Indonesia, Kenya, Mexico, Morocco, Netherlands, Russia, Slovenia, South Korea, Sri Lanka, Sweden, Taiwan, Tanzania and many more. This office is responsible for assisting students with admission and transfer requirements, assessment, orientation, housing, academic advising, social security, banks, income tax and driver's licences. In addition, we assist students with immigration related matters including: SEVIS, I-20 form, Visas, passports, change of status, extensions of stay and employment authorization. International students must meet the following application deadlines: Fall semester: June 15; Spring semester: November 15; Summer session: April 15. If you have any questions, please contact the International Students Office, (805) 654-6313.

MESA

The Mathematics, Science, Engineering Achievement (MESA) California Community College Program (CCCP) is an academic program designed to encourage educationally disadvantaged community college students to excel in math, engineering and science so they can transfer to four-year institutions as majors in these fields. MESA CCCP Centers are located on community college campuses throughout the state and serve over 3,000 students. The program is a collaboration between MESA and the California Community College Chancellor's Office. The MESA CCCP model for Ventura College was established in 2000. Call (805) 654-6337 for information.

State of California Department of Rehabilitation Assistance

The State of California Department of Rehabilitation (DR) provides assistance for the vocational training and placement of individuals with physical or mental disabilities. Emphasis is on serving individuals with the most severe disabilities.

WHAT ASSISTANCE IS PROVIDED? The DR may provide financial assistance for tuition, books, supplies and transportation relating to vocational training. There is no fee for services provided.

WHO CAN RECEIVE ASSISTANCE? Eligibility for DR services is determined by the DR office and is based on the existence of a physical or mental disability that results in a substantial impediment to employment. Apply to the State of California Department of Rehabilitation; 1701 Pacific Avenue, Suite 120, Oxnard, 93033 or 325 E. Hillcrest Drive, Suite 140, Thousand Oaks, 91360.

A Department of Rehabilitation counselor is also available for appointments on campus in the Educational Assistance Center Office on a periodic basis. Call (805) 654-6300 for an appointment.

The Department of Rehabilitation in collaboration with EAC offer a Workability III program for DR clients/students to provide assistance with seeking employment.

Training Through the Workforce Investment Act and Private Rehabilitation

Ventura College is committed to serving special student populations, referred by local, county, state, federal and private agencies. Examples include students who are referred through the Business and Employment Services Division of the County of Ventura (BESD), which administers the Workforce Investment Act (WIA), as well as those referred through private rehabilitation firms. The College provides support services which include assistance with registration, assessment, counseling, financial aid, and customized vocational planning. For more information about BESD, the WIA, or customized training, please call the Ventura Institute for Community and Professional Development at (805) 648-8904.
